PETITION FOR RULEMAKING

Twin Valley Broadcasting Company ("Twin Valley"), by counsel, hereby petitions the Federal Communications Commission for the initiation of a rulemaking proceeding to amend the FM Table of Allotments, Section 73.202 of the Commission's Rules, to assign FM Channel 221A to the community of Chino Valley, Arizona, as follows:

City	Present	Proposed
Chino Valley, Arizona	None	221A

1. As indicated in the attached Engineering Statement (attached hereto as Exhibit 1), Channel 221A can be assigned to Chino Valley in complete compliance with the Commission's distance separation requirements as contained in 47 CFR §73.207. The reference coordinates: 34-48-19 N 112-19-26 W will show the 70dbu (city grade contour) entirely encompassing the city of Chino Valley, Arizona. Moreover, there is a wide area available for placing an appropriate transmitter.

2. Chino Valley is a city located in Yavapai County, Arizona. According to the 1990 Census, Chino Valley has a population of 4,837 persons. Chino Valley is located on Interstate 89, approximately 15 miles north of Prescott Arizona. At present, the community is not receiving community service from any aural service. Therefore, the public interest will be served by the assignment of Channel 221A to Chino Valley, Arizona.

3. If the Commission assigns Channel 221A to Chino Valley, Arizona, Twin Valley will apply for a construction permit and will construct a new facility upon award of that permit.

WHEREFORE, in accordance with the above, Twin Valley Broadcasting Company respectfully requests that Channel 221A be assigned to Chino Valley, Arizona.
